PROGRAMME
ISSUED

JUNE 2021

WE ARE BACK!! Our tours are due to re-start from Wednesday 19th May 2021.

I hope you have all been keeping safe and well during the most recent lockdown.

With the continued easing of the government's lockdown restrictions, together with the successful roll-out of COVID jabs, let's hope we have turned a corner now and that going forward we can all look forward to a little more normality!

In line with the government's roadmap out of lockdown, Magic Moments is going to proceed cautiously with a gradual start-up. While most restrictions are expected to be lifted from Monday 21st June, for planning purposes we have decided to keep socially distanced seating on our coaches until Monday 12th July. Obviously we will continue to monitor the government's guidance closely, but hopefully from 12th July we will be in a position to offer all seats on our coaches and thereby welcome more of you back on our tours.

Our priority remains passenger safety and, in conjunction with Hardings Coaches, we will continue to follow a range of COVID-19 Secure Guidelines that comply with latest government guidance – please see the back cover for full details.

Please note that as government guidance changes, we may have to amend/cancel tours even at short notice. Rest assured, however, that if we do have to cancel a tour you will be entitled to receive either a full refund or you may be offered an alternative date.

Please do take the time to read our COVID-19 Secure Guidelines and please ensure you are happy to follow the guidelines before booking a tour.

Magic Moments Tours and Hardings Coaches are pleased to announce that both have successfully attained the Visit England 'We're Good To Go' Industry Standard, an external validation that our businesses are indeed good to go. We are all now looking forward to aiding industry recovery and getting the wheels on the coach turning again very soon.

As we all start to venture out into this post lockdown world, we will all need to make an effort to be thoughtful, kind, patient and aware. Please bear with us on our tours as we all get used to this new way of working. When you board the coach you can rest assured that Magic Moments and Hardings Coaches have your safety as a priority. All necessary risk assessments have been carried out and additional special measures have been put in place to help keep everyone safe.

Your health and safety is paramount to Magic Moments Tours and Hardings Coaches so please stay safe and healthy at this time and I thank you for your kind understanding.
